Instructions: For each type of media listed below, check YES or NO to indicate whether that type of content was used on the website. If YES, answer the follow-up question and identify the applicable copyright provision. All team members must initial each completed row. The faculty advisor must sign at the bottom.

Section 1 — Copyrighted Media Inventory

Did your website include any music, audio recordings, or sound effects?

☒ YES ☐ NO

1 If YES — Was any of the music/audio copyrighted material not owned by the team?

☐ YES ☒ NO — All audio was royalty-free or original

Applicable provision: **1B** (Royalty-free / license-clear media — no copyrighted audio used)

Team initials: **SP AA AK NS VM GM**

Did your website include any photographs, graphics, illustrations, or visual artwork?

☒ YES ☐ NO

2 If YES — Was any of the graphics/imagery copyrighted material not owned by the team?

☐ YES ☒ NO — All images are CC0, royalty-free stock, or team-created

Applicable provision: **2B** (Public domain / CC0 / team-original graphics — no copyrighted images used)

Team initials: **SP AA AK NS VM GM**

Did your website reproduce any copyrighted written content, research, or intellectual property authored by others (e.g., excerpts, quotes, published articles)?

☐ YES ☒ NO — All written content is original team work; testimonials and personas are fictional

Team initials: **SP AA AK NS VM GM**
